

CLQ Series Air Conditioner

14 SEER

The Goodman® CLQ Air Conditioner features an attractive louvered metal guard that protects the coil from damage and strengthens the unit. Designed for ground-level or rooftop mount, the raised base pan elevates the unit above the slab for excellent water drainage. The polyester powder-paint finish provides premium durability and improved UV protection.

- High-efficiency scroll compressor
- High-efficiency copper tube/aluminum fin coil
- Quiet condenser fan system includes an 8-pole, 850-RPM motor, 4-bladed fan and a wire discharge grille
- High-quality sound blanket diminishes compressor operating sound
